

## TWO CLASSIC NORTHERN RALLIES

### 2010

#### NYMR VINTAGE VEHICLE WEEKEND

The incomparably stunning scenery of the North Yorkshire Moors National Park is once again the backdrop for the theatrical spectacle of the best combination of classic car & steam anywhere in the UK, with approximately 300 vehicles on display over that weekend.

Classic vehicles abound at Grosmont, Goathland & Levisham, coupled with many other events such as the music at Levisham with 'Jive Express' playing Rock n' Roll and 'Shadows Music' playing the music of their heroes.

The Steam Action was filmed from the Gala Spectaculars from 2008 to 2010. For example we see 3 LNER A4 Pacifics on shed at Grosmont and we have footplate shots on both A4 Sir Nigel Gresley and Britannia class, Oliver Cromwell. Later, a ride in a 1949 Daimler DB18 Saloon from Goathland to Newby Hall leads us into the second half of the programme.

#### 2010 ... NEWBY HALL organised by NECPWA

Hundreds of classic vehicles are once again viewed both arriving and in the display area. Many owners' clubs were on show. Richard Lee commentates as we see the best of the veterans enter the arena as their owners tell their own vehicle's remarkable and varied stories. We also visit the live miniature steam railway in Newby Hall grounds and the remarkable LMS Royal Scot in action.

# TWO CLASSIC NORTHERN RALLIES

## DISC 1 : 2006 ... NYMR VINTAGE VEHICLE W'END

Introduced by the organiser, Steve Hogg, this programme was filmed mainly in 2006 with highlights from 2001 - 2003. It combines classic cars featured at all of the stations along the line and classic steam in the beautiful setting of the North Yorkshire Moors National Park. Pure magic whichever way you look at it.

The film features a number of well-known marques of motorcycles and cars of the past, such as Austin, Allard, Jowett, Triumph, BSA and Norton to name but a few. We even have vintage coaches at Goathland.

Sit back and enjoy the view of the classic car rides in a 1930s Lagonda, along with a Sunbeam Talbot, a Vanden Plas 1300, a Humber Sceptre Mk1 and a Jaguar MkII. Steam is not forgotten as we get footplate rides on A4 Sir Nigel Gresley hauling a set of 1930s teak LNER coaches, the A2 Blue Peter and an LMS Black 5.

And if you've ever wondered what it is like to drive a steam locomotive, then Colin Reilife will explain it all to you. What more could you want.

## DISC 2 : 2005, 2006 & 2008 ... NEWBY HALL

We travel to Newby Hall in a stunning MkII Jaguar 2.4. This superb NECPWA event, where we'll see 2,000 classic vehicles of all kinds in attendance, is a sight to behold. See this whole spectacle of cars, vans, motorcycles, etc, all on display in the glittering sunshine, with many clubs, such as Daimler, Aston Martin, Bentley, etc, on show. Richard Lee commentates from the arena. Certainly the Rally of the Year!
